Massachusetts Department of Housing and Community  
 Development Resident Notice and Consent Form for  
 State-Aided Public Housing and State Rental Assistance

Pursuant to state law, Chapter 334 of the Acts of 2006, The Department of Housing and Community Development (DHCD) must gather, compile, and report data in order to provide current, accurate, and detailed information on the number, location, and residents of assisted housing units (including state-aided public housing) and recipients of state or federal rental assistance. DHCD will also evaluate the data to ensure that housing choice and inclusive patterns of housing are available across the Commonwealth.

In response to the above cited law and regulations at 760 CMR 61.00, DHCD is requiring local housing authorities administering state-aided public housing and state rental assistance and regional agencies administering state rental assistance to collect and report certain resident household data to DHCD. Much of this information is already collected pursuant to separate authority. DHCD will annually report to the state legislature on its data collection efforts and may provide reports to other interested parties in a manner consistent with privacy laws, including Massachusetts General Laws Chapter 66A. Massachusetts General Laws Chapter 66A also provides for the rights of data subjects: this includes your right to inspect and copy your personal data and to object to the collection, maintenance, dissemination, use, accuracy, completeness, or relevance of the personal data or type of information held about you.
